As a comedian and actor, I have been in the entertainment industry for over twenty years. My work includes television, film, and documentaries for such productions as *Law & Order* and the Science Channel. Expertise in emceeing corporate and private events. Clients have included Verizon, IBM, Fidelity, Liberty Mutual, and Boston Works, to name a few. I have been an instructor for over thirteen years teaching courses in acting, comedy, and directing for Boston University, Toastmasters, Zero Point Theater, along with numerous private clients.
